

# Clean air or **Deadly air**

Here are the **FACTS**:

More than 1,000 Hoosiers die each year from secondhand smoke.

Secondhand smoke contains 4,000 chemicals, including arsenic and cyanide.

The Surgeon General said secondhand smoke leads to “disease and premature death in children and nonsmoking adults”

**Who is protecting us?**

# To Protect Our Families' Health... Re-elect John Lanie and Russ Evans!

On Tuesday  
November 6th,  
Re-elect  
John Lanie!,  
Councilman-At-Large  
and  
Russ Evans!  
Councilman, 4th Ward.

## *The Choice is Clear – John Lanie and Russ Evans*

- Stood up for Greencastle's families and supported efforts to keep our air clean.
- Championed an ordinance to make our city healthier and smoke-free.
- Will continue to protect our children, families, and community.
