On secondhand smoke, the FACTS are clear.

FACT 170 New Hampshire residents die from secondhand smoke every year.

FACT Secondhand smoke contains 4000 chemicals, including arsenic and cyanide.

FACT The Surgeon General said secondhand smoke leads to "disease and premature death in children and nonsmoking adults"

For State Senate, the choice is clear.

**Senator
Andre Martel
voted against the
smoke-free bill**

(H.B. 1177) that would have protected Granite Staters from harmful secondhand smoke at work, in restaurants and in bars.

**State Representative
Betsi Devries
voted for the
smoke-free bill
and for a healthier
New Hampshire.**

The choice is clear. **Betsi Devries for State Senate.**
